

Tadiran Time Change

From Attendant stations only:

#188

enter time as hhmm

press soft key under AM or PM and hit set

That will take you out to main screen

Note: You will have to type in zero before a single digit time.

Note, if you do not have a keyset with soft keys,

Press #188

Enter time as hh mm

Press 1 for am, 2 for pm

Then #11
